Am --- D --- G

G C
Because You live - I now live in You

G Em D
Because You live - my soul is free

Em D C Cm
Because You brought to the grave all my sin and my shame

Em D G
As you Forgive, so now I live

Because You live - the Devil's defeated

Because You live - I know can see

Because You drove out the filth of my failures and guilt

Away - so now I live

And I sing:

G C
Jesus Jesus Risen Saviour

G Em D
Jesus Jesus Mighty King

Em D C Cm
All heaven and earth bow before You Lord

Am D G
Victorious O'er everything

Jesus Jesus Risen Saviour

Jesus Jesus Mighty King

All hell has been pillaged, strongman overcome

Oh death now where is your sting?

Because You live, I have a home now

And now I live, abundantly

And I fall to my knees. Lift me hands unto Thee

Thank You Jesus that now I live
