

Fade Away

VERSE VAMP Em - C - G - D/F#

All my life I do relinquish
Lay it at Your feet
'Till there's nothing left to see
Except Your love in me

C D C D
My Jesus, let me disappear in Your arms

CHORUS VAMP Em - C - G - D

And I - want to be more like You Jesus
And I - want to fade away in Your love
And I - want to be more like You Jesus
And I - want to fade away inside Your love
