

Offer My Heart

Em

You're the One Who came to save me

A/E

You're the One Who gave Your Son

C

You left the ninety-nine

Am

To find the lost unrighteous one

Em

And You came to pay my ransom

A/E

The death that I had earned

C

And all with me who would

Am

Believe that You so loved the world

You gave the oil of gladness

You've made my heart to dance

You gave me beauty for the ashes of my shameful past

Yet I have none to offer

But this my humble plea

To search and know me Lord

And live Your love through me

C Am

Em

And I offer my heart to You
